ALAN CHAN JAZZ ORCHESTRA

Sunday, 3/3/2013, 7:30 pm | Gateway Performance Series, Los Angeles

From the nature of Alaska to 'the ranch' in Altadena, ACJO will take the audience on an organic musical journey, with imaginative music that draws inspiration from food, poetry and spirituality. This 17-piece group will perform works by Alan Chan, a refreshing voice for big band music of today. It will also feature a documentary about his works, in collaboration with film director Becca Louisell.
